

Glossary

ABCS Army Battle Command System	CTT-H commander's tactical terminal - hybrid
ACE analysis and control element	
ACT analysis and control team	
AFSATCOM Air Force satellite communications	DCF DSCS Operations Control System Certification Facility
ALT altitude	DCS Defense Communications System
AO area of operations	DCSOPS deputy chief of staff for operations and plans
ARSST Army Space Support Team	DDL data downlink
ASAS all-source analysis system	DIA Defense Intelligence Agency
ASAT antisatellite	DISE deployable intelligence support element
ASCC Army service component commander	DL downlink
ASEDP Army Space Exploitation Demonstration Program	DMA Defense Mapping Agency
ASI additional skill identifier	DMSP Defense Meteorological Satellite Program
ASPO Army Space Program Office	DOD Department of Defense
ATACMS Army Tactical Missile System	DSCS Defense Satellite Communications System
AUTODIN Automatic Digital Network	DSCSOC DSCS operations center
AVHRR advanced very high resolution radiometer	DSP Defense Support Program
	DTLOMS doctrine, training, leader development, organization, materiel development, and soldiers
BDE brigade	
BMD ballistic missile defense	
C² command and control	EAC echelons above corps
C²OTM command and control on the move	EAM emergency action message
CCD charge coupled device	EEI elements of essential information
CEP circular error probable	EHF extremely high frequency
CGS common ground station	EPDS Electronic Processing and Dissemination System
CIA Central Intelligence Agency	ERS-1 Earth Resourcing Satellite-1 (Japanese)
CINC commander in chief	ESA European Space Agency
CK circuit	ETRAC Enhanced Tactical Radar Correlator
CMO collection management officer	
COLL MGT collection management	
CONUS continental United States	
COTS commercial off-the-shelf	
CSS combat service support	

ETUT Enhanced Tactical Users Terminal	INTEL intelligence
FAST Forward Area Support Terminal	INTELSAT international telecommunications satellite
FAST-I forward area secondary imagery dissemination and TRAP-improved	IO information operations
FLOT forward line of own troops	IPB intelligence preparation of the battlefield
FLTSAT fleet satellite	IRS-1B India's remote sensing satellite
FM field manual	JCS Joint Chiefs of Staff
G2 division/corps intelligence staff officer	JIC Joint Intelligence Center
GBI ground-based interceptor	JTAGS joint tactical ground station
GBRT ground-based radar terminal	J-TENS Joint Tactical Exploitation of National Systems
GMF ground mobile forces	Landsat civil earth imaging satellite
GOES geostationary operational environmental satellite	LEASAT leased commercial satellite
GPS Global Positioning System	LEO low earth orbit
GRCS guardrail radar common sensor	LISS low-imaging sensing satellite
GSM ground station module	LOS line of sight
GSTS Ground-Based Surveillance and Tracking System	LRSU long-range surveillance unit
HMMWV high-mobility multipurpose wheeled vehicle	MDX multiplex data exchange
HRV high-resolution-visible range instruments	METT-T mission, enemy, terrain and weather, troops available, and time
HSI hyperspectral imagery	MIES Modernized Imagery Exploitation System
ICBM intercontinental ballistic missile	MILSATCOM military satellite communications
IES Imagery Exploitation System	Milstar military strategic, technical, and relay
IEW intelligence and electronic warfare	MITT Mobile Integrated Tactical Terminal
IHFR improved high-frequency receiver	MOOTW military operations other than war
IMETS Integrated Meteorological System	MOS-1 Marine observation satellite
INMARSAT international maritime satellite	MSE mobile subscriber equipment
INSCOM Intelligence and Security Command	m/sec meters per second
	MSI multispectral imagery
	MSS multispectral scanner

NA not applicable	SAR synthetic aperture radar
NASA National Aeronautics and Space Administration	SATCOM satellite communications
NAVSTAR navigation system using timing and ranging	SDI Strategic Defense Initiative
NCA National Command Authorities	SHF superhigh frequency
NCO noncommissioned officer	SID secondary imagery dissemination
NMD national missile defense	SIGINT signals intelligence
NMJIC National Military Joint Intelligence Center	SLBM submarine-launched ballistic missile
NMS national military strategy	SLGR small lightweight GPS receiver
NOAA National Oceanic and Atmospheric Administration	SMART-T secure, mobile, antijam reliable tactical terminal
NSA National Security Agency	SOF special operations forces
OPLAN operations plan	SOI space object identification
OPORD operations order	SPOT <i>Système Probatoire d'Observation De La Terre</i>
OPSEC operations security	SSO special security office
PBV post-boost vehicle	STU-III secure telephone unit, third model
PLGR precision lightweight GPS receiver	SUCCESS synthesized UHF computer-controlled equipment subsystem
POSNAV position/navigation	SWO staff weather officer
RCV receive	SWT small weather terminal
RDTE research, development, testing, and evaluation	TADIX-B Tactical Data Information Exchange System - B
RESURS-F Russian earth resourcing satellite	TEC Topographic Engineering Center
RESURS-O Russian earth observation satellite	TENCAP tactical exploitation of national capabilities
RISTA reconnaissance, intelligence, surveillance, and target acquisition	TERS Tactical Event Reporting System
RO/RO roll on/roll off	TIBS Tactical Information Broadcast Service
RSOC Regional SIGINT Operations Center	TIROS television infrared observation satellite
RSSC regional space support center	TM thematic mapper
RV reentry vehicle	TMD theater missile defense
S2 brigade or battalion intelligence staff officer	TOE table of organization and equipment
	TOPO topographic
	TRAC tactical radar correlator

TRAP tactical and related applications	USASSDC US Army Space and Strategic Defense Command
TRI-TAC Joint Tactical Communications System	USN US Navy
TRIXS Tactical Reconnaissance Intelligence Exchange System	USSPACECOM US Space Command
	USSR United Soviet Socialist Republic
	VHF very high frequency
UAV-E unmanned aerial vehicle - extended	VSAT very small aperture terminal
UHF ultrahigh frequency	WEFAX weather facsimile
USAKA US Army Kwajalein Atoll	WWMCCS Worldwide Military Command and Control System
USARSPACE US Army Space Command	
USASDC US Army Strategic Defense Command	XMIT transmit
